TRAVEL INSURANCE - FULL REFUND PROTECTION

Easton Area High School Band & Orchestra

School Account | Full Refund Program
Applies to 2025 festival and bowl game programs.

No regrets.

The best protection for your group's investment.

Life happens. As much as we would hope nothing gets between a student and their trip, there are always surprises. Could you see a student in one of these situations?

School functions/ requirements

Eva performed unexpectedly well at her regional track meet and has the opportunity to compete at the state level... on the same day as her trip.

Health and illness

Andrew's performance tour is less than a week away, and he's come down with a nasty flu. He can't leave his bed – and chances are he won't be leaving the state.

Financial Restraints

Tom's parents registered him for the trip a few months back, but they were laid off last week and the costs are becoming difficult.

Protect your group with the Full Refund Program!

The Full Refund Program allows participants to cancel for any reason up to 1 day prior to travel. The cost of Full Refund Program (FRP) varies according to the cost of the student tour. **Discounted rates available if purchased for your full group!**

Terms and conditions apply. For an additional fee, WorldStrides offers protection for your investment through the Full Refund Program (FRP). Should the Program Leader, school, or the school's administration cancel your trip after the 24-hour grace period from registration, or in the event that your program is cancelled as a result of Exceptional Circumstances (as defined in the Terms and Conditions), the FRP protects your investment by reimbursing you for 100% of the amounts you've paid in, minus the FRP enrollment fee, plus any non-refundable fees as described below. To be eligible for this additional protection, you must add FRP to your account within 30 days of the initial group registration, and applicable cancellations must occur 1 or more days before your departure date. The cost of FRP will be specified by your WorldStrides Representative based on the cost of your trip. Please note, the FRP fee is non-refundable after 24 hours of initial FRP purchase confirmation. Additionally, FRP does not cover penalties or unrecoverable costs associated with any air or other travel arrangements not provided by WorldStrides. Non-refundable fees include: any handling charges, merchandise fees, fees for returned checks, fees for declined credit cards or electronic drafts, and late payments.

Standard Cancellation Policy applicable to festival and bowl game/parade programs prior to 2/1/26.
