Tiffani Blevins, President

Dear Sponsor,

The Easton Area High School Instrumental Music Association (IMA) proudly supports more than 300 talented students involved in our award-winning band and orchestra programs. These programs are the heart of our school community – instilling discipline, teamwork, and pride in every student performer.

Each year, the IMA relies on the generous support of businesses and individuals like you to help fund uniforms, instruments, equipment, transportation, meals, and more. Sponsorship not only fuels our students' success but also places your brand in front of thousands of local families through concerts, programs, community events and fundraising events. .

We invite you to review our updated 2026–2027 Sponsorship Opportunities. Each level offers year-round (July 1 - June 30) exposure and customized recognition tailored to your business. If included in your sponsorship level, your printed ad will appear in all concert and event programs, and our publicity team will coordinate directly with you to design custom social media ads. Our digital channels, with over 7,200 social media followers. Our newsletter is sent directly to our instrumental music program students and guardians. Please email all ad submissions and/or questions to sponsorships@eahsmusic.org.

We deeply appreciate your consideration and support. Together, we can ensure that Easton's musical excellence continues to thrive for years to come.

With gratitude,

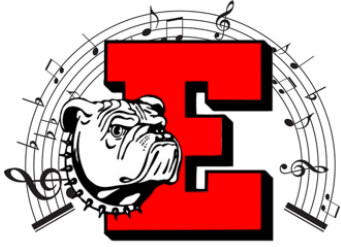

Easton Area High School Instrumental Music Association

Michelle McKessey

Fundraising and Sponsorship Coordinator
