Easton is the host for this year's festival. Students who were successfully admitted into the festival can pick up their folders this week from Mr. Ballentine's office.

SPECIAL ANNOUNCEMENTS

- **THANK YOU** to all the students, parents, and family members who made our recent trip to Florida a success. The students represented themselves, our school, and our community with such pride and honor. You should all be very proud of what they accomplished. It takes a village and we certainly could not have done it without the support of everyone. From snack donations, to medication drop off nights, it took every person. Everywhere we went, our students garnered comments for their behavior and their performance abilities. I hope it is an experience they will cherish for the rest of their lives.

Next IMA Meeting - Tuesday, January 14, 2020 - @ 7:00pm
