# IMA General Membership Meeting Minutes

1. Sam Jones, incoming band president provided a welcome and shared his enthusiasm for the upcoming year.
- D. Band Camp & Strings Camp Safety Procedures (what proceeds is all tentative since things could change and we'll be relying on school district and CDC guidelines)
  1. What to expect
    - a) For all camps
      - (1) we will try to be outside as much as possible since guidance says outside is safer than inside
      - (2) Mr. Ballentine reviewed safety considerations and the purpose of the band and orchestra
      - (3) Safety is the top priority all of the time, but this requires everyone to buy into this for it to be successful
      - (4) Mr. Ballentine has been consulting the American Bandmembers' Association and High School Band Directors National Association for guidance.
      - (5) Will have different people flow in and out of the rehearsal room.
      - (6) All students will be required to have a 64oz water jug. If a student is unable to afford a jug, the student will be provided a way to contact Mr. Ballentine to get one. Refills will be done by students placing their jug under the spigot and an adult wearing gloves will turn on the spigot.
    - b) Marching Band, August 10-27
      - (1) 310 students on the roster as of now!
      - (2) Monday, August 3 is the band camp stand song rehearsal.
      - (3) M-W-F will be 8am-12pm; T-Th will be 4-8pm
        - (a) All of these avoid the hottest time of the day since students might need to wear masks
        - (b) This also eliminates the need for providing meals since it's unclear if we would be able to serve food in a safe way
        - (c) Snacks will be provided though meal options will be made available for those who need to or could not eat
      - (4) Hand sanitizer and disinfectant wipes will be made available; have disinfectant sprays for instruments; one student per stand
      - (5) Snacks will be broken up into many lines to increase social distancing
      - (6) More frequent breaks
      - (7) The new drill will account for a 4 step interval allowing for a minimum of 6 feet between students
      - (8) Velocity of the air coming out of instruments isn't as fast as expected, so Mr. Ballentine will consider how to mitigate
        - (a) Mr. Ballentine is following two studies underway from the Univ. of Colorado and Colorado State Univ. to learn about the spread of the virus from air expressed through wind instruments

# IMA General Membership Meeting Minutes

- (b) We're looking to get bell coverings for brass because they're directional instruments. It's still learning if the airflow coming out of the instruments is necessary to be mitigated; woodwinds are non-directional instruments so they don't need bell coverings, but they will be covered with a bag
    - (9) The auditorium potentially could be used as a rehearsal space for the entire marching band
    - (10) Guard is going to use the same flags for drills.
    - (11) Percussion will be provided with sticks, labeled with the student's name, and they will use the same set. Pit will not switch and instruments like they've done in the past.
    - (12) Symptom checking will be based on whatever the school district decides.
  - c) Orchestra
    - (1) Stringed instruments don't require air, so students may be wearing masks. Students will follow school district and CDC guidelines.
    - (2) Students can be spaced out in the rehearsal room to retain social distancing.
  - d) Strings Camps is Aug. 4 -6 from 6-8pm
    - (1) Camp letters will arrive in the mail in the next few weeks and will include a medical form, an image release form, and information about a parent interest form
- 2. General Safety Precautions
  - a) Safety of students is the first priority.
- 3. Instrument Hygiene and Sanitation
  - a) This will be based on guidance from the National Association for Music Education.
  - b) Sectionals are typically done without adults, so Mr. Ballentine is considering having adults attend them to ensure social distancing is practiced. Sectionals won't start until July 1. It's unclear if sectionals will be held at students' homes like in the past or if they will need to go to parks, etc.
- E. Opportunities to help & chaperone for 2020 - 2021 school year
  - 1. Clearances need to be on file with the school district for those wanting to volunteer.
    - a) The school district will provide volunteers with a letter confirming your approval as a chaperone. This is the only proof the IMA needs so one can be an approved chaperone.
    - b) Clearances are good for five years.
  - 2. Chaperone Training
    - a) The IMA is going to conduct chaperone training that will include:
      - (1) Expectations for football games, parades, etc.
      - (2) Brief first aid training

- H. Questions

    - a) That likely will take place when locker cleanout or book drop off will happen. That date will be determined by the school district.

## I. Director's Report

- B. PMEA Representation / Recap recent events
  - 1. Seven students were selected for district orchestra
  - 2. Seven students were selected for district band
  - 3. Two students were selected for district jazz
  - 4. All district orchestra students advanced to regional orchestra
  - 5. One student was selected for all-state jazz band to be held in April
- C. Lenape High School Jazz Festival was the first jazz festival of the season and took place Friday, February 7 at Lenape High School in NJ. Our jazz band received the following:
  - 1. Gold Rating (Superior)
  - 2. Best Trombone Section
  - 3. Best Saxophone Section
  - 4. Outstanding Soloist (Christiana Schleich - trombone)
- D. Spaghetti Dinner - Saturday, February 22 (all HS Orchestra students)
  - 1. NEW this year - inviting 8th grade orchestra members
    - a. These students will play along with the rest of the orchestra for the last two songs of the night
  - 2. Student Report Time is 3:45 p.m. for rehearsal (snack provided)
  - 3. Goal is to have 300 people attend.
  - 4. It's a night of music performed by the orchestra.
  - 5. [More details about the night, including a way to purchase tickets, is available online.](#)
  - 6. T-Shirt order forms
  - 7. Looking for parent volunteers that night so please [check out the Signup Genius](#) to plate dinners (students will serve).
  - 8. Spread the word to invite other IMA families as well as community members. We'll be putting out yard signs around the community to promote the event.
- E. *March Forth* Fundraiser
  - 1. A fundraiser goal of \$10,000.
  - 2. We're hoping it will help us purchase a new marching band system, replace chimes—some are cracked and very expensive to replace, couple new cellos and

# IMA General Membership Meeting Minutes

basses—we don't have enough for our students to practice at home, and a classroom sound system.

## F. Uniform Update

1. New marching band uniforms were approved during the January 2020 school board meeting. They will cost about \$250,000 for 350 uniforms to allow room for growth and to have enough sizes on-hand.
2. Students were sized to get a sense of what uniforms were needed.
3. Finalizing hats and raincoats, but the bulk of the design is complete as seen at the school board. Junior class representatives and junior drum majors spoke at the board meeting.

## G. Tentative Fall Schedule for 2020 - 2021 school year

1. This could change since the school board still needs to approve the 2020-2021 calendar, but August 31 is the current tentative first day of school.
2. As a result, band camp will start on the August 10 and strings camps would be the first week of August
3. First Flags is going to be held on the first Saturday in October—this is different from the traditional Wednesday night. Reasons for the change include:
  - a. making the competition more inviting to more competitive bands
  - b. ensures our students (and other participating band students) aren't out late on a school night.

We may need to find a new venue if Cottingham is under renovation. Mr. Ballentine has a goal of getting one collegiate band for the competing bands to see what a collegiate band looks like.

## H. Wednesday, April 29 - Spring Wind Ensemble & Chamber Strings Concert

1. Chamber strings is a new addition to this. This is going to be a small ensemble night.
2. One reason is to provide the chamber strings another night to showcase their repertoire.
3. Jazz band will not perform mostly because it'd be too much for the brass to play that long all night.

## I. End-of-year banquet

1. New day of the week. This year it will be held Sunday, May 31 from 2-7pm.
2. We were looking for a different venue this year to allow for more families to attend and better staging. Mrs. Mattison was able to secure The Palace in Allentown.
3. Meals will be buffet style (not family style as in the past), can hold over 600 people. This will allow more freshman parents and siblings to attend and The Palace has a built-in dance area.

# IMA General Membership Meeting Minutes

4. The students selected the food to be served at the banquet.
- J. If you are not yet on the parent/ guardian remind, please join at:

  1. Bingo event will be on May 3.
  2. Donations can be dropped off to Mrs. Raub at Raub's Farm Market at 1459 Tatamy Rd, Easton, PA 18045. As long as the van is there, then she will be home.

## IMA General Membership Meeting Minutes

3. She's looking for donations and is looking for more people to help.
  4. This is a huge fundraiser so any help (e.g., volunteering, basket donations, donations to be a part of a basket) is very appreciated.
  5. No donation is too small. Gift cards are great. Getting together as a group to create baskets is encouraged. No basket is too small. No basket is too big.
  6. We've raised \$23,000 at this event in the past. This is a very important fundraiser.
  7. Last year we had over 100 baskets.
