2020 STRINGS CAMP!

OUR FORMAT HAS CHANGED!

We are adjusting our typical strings camp for this year. The orchestra council has decided to hold our strings camp after the start of the school year, rather than in August. We want to get adjusted to the new routines of being in the building first, before starting to practice inside.

WHAT IS THE PLAN?

Outdoor social event (get to know you) with strings the week of August 24.

Once we have a better idea of what school will look like, we are hoping to do a few evening string rehearsals starting in the middle of September. Here, we will work on our string music while also doing activities to get to know one another and create that bond that brings us together as an ensemble.

WHAT WILL BE HAPPENING IN THE MEANTIME?

Prior to our first get to know you event, each student should be in contact with their section representative or the orchestra senior officers. Some sections will hold Zoom meetings to get to know each other and stay in contact so we can start the year off strong together.

Our band & orchestra councils also plan fun social events virtually throughout the summer. This Monday, July 27, the students will be holding their second Trivia Night via Zoom. Students should reach out to their section representative with any questions!

I will keep you updated as we learn more information and see what our year will bring. Please let me know if you have any questions and how I can best help.
