2023 - 2024 INSTRUMENTAL MUSIC DEPARTMENT FLORIDA TOUR

Hello Band & Orchestra Families,

We are excited to share with you that our marching band and orchestra have the opportunity to travel again during the 2023 - 2024 school year. Next year, our program will be traveling to Orlando, Florida, where both our marching band & orchestra will have performance opportunities! This experience is a result of the hard work many have put in to provide us with this unique opportunity. Each of your children continues to excel in rehearsals and bring pride to the community in our performances. Thank you for supporting them.

The reasons why we travel with our ensembles are as follows:

- 1. To provide educational opportunities to our students through performances/ adjudications*
- 2. To bring recognition to our school district and music program*
- 3. To build a sense of community between the members of our groups*

When planning this trip, there are many different aspects we must consider, including:

- 1. School Schedule*
- 2. Costs*
- 3. Performance Schedules & Availability*

All members of our marching band and high school orchestra (9-12) are invited to perform. The decision to take each group will be made independently based on the commitment forms that are returned. In order for each group to perform and learn as one, we need to field a representative group.

How is the location of the trip determined?

Many locations were considered during the planning process. In addition to the factors listed above, this tour provides a unique opportunity for our school district to be recognized, as it provides exceptional performances for both our band and orchestra.

What are the dates of the trip?

We will be traveling *Friday, December 15 - Monday, December 18*. We will be flying to & from Florida. Transportation to and from the airport is provided. Students will be able to take a carry on with them on the flight. Our equipment, instruments, uniforms, and luggage will be sent ahead of time via tractor trailer.

How are the students housed in hotels?

Students sign up for rooms in groups of four. Boys and girls are separated in the hotel and each room has a chaperone of the same gender. Girls and boys are not allowed in each other's rooms. Security is hired in the hotel to assure our students are safe and in their rooms in the hotels.

What is expected of our students?

School policies apply at all times, as this is a school trip. Students are expected to learn, practice, and rehearse in a way that brings pride to our school and program. We also expect our students to act respectfully and responsibly at all times and in all situations.

What is the cost of the trip?

As mentioned above, one of the considerations when planning a trip is cost. We want to ensure that every student has the opportunity to attend and we work to make sure the cost is as minimal as possible.

As we are nearly a full calendar year away from our trip, the estimated cost is \$1500 - \$1800. We hope to be able to reduce the cost once we have final numbers. This is a wide range, as we are waiting to confirm airfare before finalizing costs. The more general fundraising we are able to do, the lower the trip cost becomes. We will continue to keep you updated along the way. Optional trip insurance will also be available.

Our timeline for meeting our goals are as follows:

1. \$75 deposit with the attached commitment form, due by **February 03, 2023** (must be contributed by cash or check – deposit cannot be fundraised).
2. \$200 – March 31; \$350 – May 31; \$350 – July 31; \$400 – September 30; Remaining \$\$ – November 30

Our trip will be all-inclusive, meaning students will not need to bring any additional money for meals, etc. Most students do, however, travel with additional money for souvenirs.

Fundraising

Beyond the initial deposit, students can meet our goals through fundraising or contributions to the IMA.

1. All of this fundraising information will be shared through IMA emails, along with in classes.
2. Reference the calendar at www.eahsmusic.org > calendar for fundraising dates

Please remember the financial magnitude of a trip for the IMA. General fundraising is crucial to providing us these valuable opportunities.

Below is a list of potential fundraising opportunities for your student, broken down by each contribution interval:

March 31:	May 31:	July 31:	September 30:	November 30:
Noto's Hoagies	Spring Flowers	Daily Dollars	March A Thon	Fruit Sale

Reserving your spot on the trip

For us to reserve a space for you on the Florida tour, you must return the attached commitment forms at the end of this letter to the gray lockbox in G214 with your payment BY **Friday, February 03, 2023.**

If, at any point, you have a concern regarding the cost, please see me so we can assist you.

In Closing & Thank You

It is our hope that this trip can be a positive experience for our students, families, and school district. As we work towards our goals, we can all grow stronger together as a program. Again, it is because of the hard work and dedication of many that we are able to provide our students with an opportunity like this.
